DWR Schedules Public Workshop on South Delta Program

SACRAMENTO – The Department of Water Resources (DWR), in conjunction with the California Bay-Delta Authority (CBDA), announces the first of two public workshops to discuss the proposed South Delta Improvements Program (SDIP).

Scheduled for December 7, 2004, the workshop will focus on the purpose of the SDIP and its relationship to other elements of the broader CALFED Delta Improvements Package. A second workshop will be held later, most likely in January, 2005.

The workshop will begin with introductory comments from DWR Director Lester Snow and CBDA Director Patrick Wright.

All interested members of the public are invited to attend. Additional information is available through Mike Ford at (916) 653-7247.

Workshop

Tuesday, December 7, 2004
1-3 pm
CBDA Bay-Delta Room
650 Capitol Mall
Sacramento, CA 95814

The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.
